#### Impact of premium use – to be finalised July 17

Impact on pupils' participation:	<p><b>Up till Jan 2017</b></p> <p>KS2 have had more opportunities to participate in a wider range of sports (Cross County, Swimming, Athletics and Tag Rugby) due to working with cluster and local schools who are part of the Sports Partnership.</p> <p>Children in all classes have had the opportunity to participate in a Karate taster session and now have the option of attending an after school club run at the school.</p> <p>Observations by the PE lead of lessons continue to be positive. All pupils have opportunities including the vulnerable groups and careful selection allows targeted activities.</p> <p>In school survey will be carried out Spring 2017 to gather children's views on the current sports available, lessons and how they feel about PE.</p>
Impact on quality of PE teaching	<p><b>Up till Jan 2017</b></p> <p>PE lead has contacted the SSCO to discuss sports coaches to support the NQTs. The use of specialist coaches, to support NQTs will give additional high quality PE sessions alongside other lessons Training opportunities give fresh ideas and keeps staff up to date. It also gives them the confidence to teach new skills in exciting and different ways.</p> <p>More opportunities to share aspects of training received will develop this further.</p>

<p>How the premium has allowed pupils to develop active lifestyles:</p>	<p>PE is timetabled to ensure lessons are in place. Understanding of healthy living and how exercise impacts on the body is part of the taught curriculum both within PE sessions and in PSHE and Science lessons.</p> <p>More opportunities to participate mean that children have access to more regular clubs and different activities. The PE leader carefully considers upcoming events to ensure a balance and access across the age groups and those children with additional needs.</p>
<p>How the school will sustain the improvements:</p>	<p><b>Up to Jan 17</b></p> <p>We will continue to use provide CPD to school staff to sustain high quality PE lessons. NQTs will receive support from specialised coaches.</p> <p>The Level 3 TA will continue on the NPETCs course and will qualify in Autumn 2017. She will then support staff in their teaching of PE</p> <p>Training to ensure staff are up skilled and have access to a wider range of PE courses so that across the school other sports can be introduced and practice reviewed. Training needs to be identified following analysis of findings from this year's work by PE leader.</p> <p>Funding set aside to allow local competition opportunities for all ages and to give a diverse range of sporting opportunities.</p>
